

ROCTalent 2019

Learning & Development Conference

Monroe Community College will host this year's ROCTalent 2019 Learning & Development Conference presented by the Association for Talent Development Rochester Chapter (ROCATD). The ROCATD chapter provides local networking and professional development opportunities for Workplace Learning and Performance Improvement professionals. Whether you work in the training industry or provide training to team members in a different professional role, ROCATD and this year's conference will support your success. Join us at MCC's downtown campus Oct 21-22. Experience everything MCC and ROCTalent 2019 has to offer.
