At D2L, we know learning. D2L is the learning platform for people who value employee development as a driver of business success.

Brightspace, our platform, helps prepare and engage your workforce with a personalized learner experience, peer-to-peer knowledge sharing, Social Assessment™, video assignments and more.

Brightspace, is a world leader in content creation and curation, and enables employers to act in real time to keep workers on track. With a fully open API, D2L can easily integrate into your existing technology ecosystem.

D2L is used by millions of learners in the enterprise sector, including Fortune 1000 companies. D2L has operations in the United States, Canada, Europe, Australia, Brazil, and Singapore.
